KYLE is in his teenage bedroom when GOD informs him that he is the new messiah with special messiah powers in order to one day save humanity. KYLE is totally jazzed, and as various friends come over he exuberantly shares the great news. Everybody's totally psyched, with a lot of hi-fiving, ordering pizza, texting, etc. Every now and then the gathering collection of teenage friends in Kyle's bedroom ask for another miracle demonstration, KYLE happily obliging, followed by whoops of joy all around, etc.
